Attachments: None

Recommendation: It is recommended that the State Board hear and discuss this information.

Background: All state agencies are required by the Iowa Code to submit to the Governor's Office and the Department of Management an appropriations request for the following fiscal year no later than October 1. Since 2004 a Purchasing Results model has been used. This approach requires departments to develop "offers" which are presented for purchase. This work session will present a summary of the draft offers.
